Note. With reference to the marginally noted remarks of the 2nd Councillor, it is submitted that in Por No. 2109-18 dt 1-8-02 & 2727-1902 recently issued, Govt ruled that the meetings of Municipal Boards presided over by a Taluk Sheristedar who is not a member, were irregular in as much as Govt have not authorised Precedents to delegate their powers of presiding over meetings even to members of the Board & municipal

can be do to non-(2) members.

2 The draft referred to by the 2nd Councillor, to whom it now goes back for revision with the Dawson order, relates to the practice of non-official members presiding over Municipal Meetings during the absence of the Vice President.

3. It is suggested that the proposed draft emphasises the irregularity pointed out in the Min of the 15th August 1902 in the matter of Tabuk Shereefdar presiding over Municipal Meetings and at the same time authorizes the Presidents or Vice Presidents to choose one of the Members to preside at Meetings when they are themselves prevented from attending the same. There there appears to be no conflict between the two orders.

Note: I think this lays down the law too definitely which the Councillor expressly says he does not intend. The Councillor's own words may be used in the order as follows. "Government observe that meetings convened and presided over by the Taluk Sheristadar who is not a member, are null and void." This order, it will be observed, avoids stating what would have happened if the meetings had been presided over by a member.

Again, I may be permitted to observe that even the modified order which I propose, with the Councillor's very words in it, is capable of a construction which may defeat the meaning probably intended by the Councillor. If the meetings under question had been convened by the Amildar but presided over by the Sheristadar, what would happen is ~~a question~~ doubtful
